CHOOSE THE RIGHT MOBILE PCs FOR THE JOB
HP Mobility and Desktop Solutions

Workflows are changing. Ways of doing business are changing. Fortunately, HP mobile and desktop solutions are specifically built for all the ways people work, and VLCM can help you find the best device for the job.

Solutions Designed For Work, Wherever It Happens

HP offers a broad portfolio, including 2-in-ones, detachable PCs, and tablets, so you can choose the best fit for every kind of work environment. HP solutions deliver flexibility, security and performance that today's mobilized workflows demand, making it easy to stay connected and productive anytime and anywhere.

BUSINESS BASIC FOR EVERYDAY PRODUCTIVITY   BUSINESS ELITE FOR MISSION-CRITICAL WORK

HP ProBook 430 G2 Notebook PC

Part of the business basic series, HP ProBook Notebook PCs powered by Intel® Core™ processors are a stylish solution that delivers smart technology at a smart price. The 430 is an ideal choice for small and midsized businesses.

HP ProBook 650 Notebook PC

A member of the business workhorse series, the redesigned HP ProBook PCs powered by Intel® Core™ processors are 19% thinner, and equipped for high performance productivity.

HP EliteBook 850 G2 Notebook

A powerful member of the HP EliteBook 800 series powered by Intel® Core™ processors, the sleek and sturdy 850 is equipped with enterprise security, performance and management features.

HP EliteBook Folio 1020

A member of the highly mobile HP EliteBook Folio series powered by Intel® Core™ processors, the stylish 1020 is a remarkably thin and light business-class notebook designed to pass MIL-STD 810G durability tests.

HP EliteBook Revolve 810 G2

Designed for durability, the ultra-thin, full-performance HP EliteBook Revolve notebooks powered by Intel® Core™ processors adapt to any work environment with rock solid security.

HP DESKTOPS AND ALL-IN-ONES

HP EliteDesk 800 G1 Ultra-slim PC

Ideal for diverse business demands, the HP EliteDesk Ultra-slim PCs powered by Intel® Core™ or Pentium® processors offers out-of-sight deployment, but not out-of-mind performance.

HP ProDesk 600 Desktop Mini

HP ProDesk Desktop Minis powered by Intel® Core™, Celeron or Pentium processors are designed to integrate seamlessly into any space, vertical or horizontal. This space-saving PC is a computing powerhouse.

HP ProDesk 400 G1 Desktop Mini

HP ProDesk Desktop Minis powered by Intel® Core™, Celeron or Pentium processors deliver powerful, affordable, business-capable computing in a space-saving design. This next-gen mini also carries HP's industry-leading security features.

HP EliteOne 800

HP EliteOne PCs powered by Intel® Core™ processors are an ideal enterprise-class all-in-one solution when you need powerful computing in a space-saving design.

HP ProOne 600 G1 All-in-One Business PC

HP ProOne PCs powered by Intel® Core™ processors give busy workers the edge they need to stay ahead with an all-in-one desktop that combines productivity and manageability.

HP TABLETS

2-in-1 HP Elite x2 1011 G1 Detachable PC

HP Elite x2 PCs powered by Intel® Core™ processors transform into a tablet or Ultrabook, and feature unmatched durability along with HP's industry-leading security features.

HP Pro x2 612

HP Pro x2 PCs powered by Intel® Core™ and Celeron processors deliver mobility and productivity in a design that pairs a tablet's convenience with the computing power of a notebook.

HP ElitePad 1000 G2 Rugged Tablet

HP ElitePad tablets powered by Intel® Atom® processors help you stay productive in the field or office. This durable tablet features up to 20 hours of battery life and is designed to handle any workload and any environment.

HP Pro Tablet 408 G1

HP Pro tablets powered by Intel® Atom® processors deliver affordably priced, dependable, and secure productivity in an 8 inch diagonal business tablet.
